is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report PGTO 081300.1, PGTO 081300.2**

Tested for harmful substances
according to Oeko-Tex® Standard 100

66631

OeTI

for the following articles:

Fine hosiery: ankle socks, knee highs, tights, stockings made out of 100% polyamide, polyamide/elastane and polypropylene/elastane, partly dyed, partly with Aleo Vera and partly finished with biological active products accepted by Oeko-Tex®

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.08.2016
